OMDC News

With scouting ramping up for the spring and summer we are excited to have another solid listing of new locations to support your needs. This month's issue of In The Loop highlights golf clubs, athletic centres, historical sites and a range of restaurants in the GTA. We've also found a perfectly situated 20,000 sq. ft. warehouse space downtown Toronto, as seen in our cover image.

OMDC's Film Commission consultants are excited to assist with your scouting requests, so don't hesitate to reach out to the Locations Library with your needs and new listings. You can talk to Library staff at locations@omdc.on.ca or at 416-642-6634 to let us know what we can do to improve your experience, we always appreciate your feedback.

UPDATED LOCATIONS

Historical Landscapes

St. Marys (L5767)

The Town of St. Mary's is located on the Thames River and Trout Creek in Southwestern Ontario. Rich in history, the first settlers arrived in the early 1840's, attracted by the area's natural resources - including limestone, for which the town is nicknamed "Stonetown". One of the most unique features in St. Marys is the St. Marys Quarry. St. Marys possesses a vibrant, historic, and beautiful downtown core, which includes many architecturally-significant period homes, churches, and two 19th century train stations, one which is still well-used as a VIA Station. The water tower, three bridges, train tracks, parks & trails, all give this town a picturesque and quintessential small-town Ontario feel.
