### Sent on behalf of Sue Monarch at The City of Hamilton

Hello All:

On behalf of the City of Hamilton and the Hamilton Film Office I want to sincerely thank the industry for the support shown to the City of Hamilton by bringing the film industry to our communities and allowing us to host this important sector of our economy.

I wanted to share the following advisory sent today by the Councillor for the Town of Dundas. I'm confident this will further clarify previous information pertaining to restrictions that will be applicable to filming in the Town of Dundas through 2017. I especially want to thank the industry and community for your feedback and input helping us to realize we needed to further update you on the status and how we will be moving forward during this period.

The City of Hamilton remains a film friendly community committed to the film industry in Ontario and to our local residents and businesses. The Hamilton Film Office will work with the industry on all request for filming in Dundas on a case by case basis to ensure not only the needs of the industry but the community will be met during this period.
