Are you or will you be using the Locations Library database frequently? If you can’t log in, are unable to use one of the search functions, have noticed erroneous information listed, or have been experiencing any other issue with the Library database, please contact the Locations Library staff at locations@omdc.on.ca or at 416-642-6634 to let us know what we can do to improve your experience. We appreciate your feedback as we work to make the database easier to navigate and use!

The fees for filming in Hamilton-Wentworth District School Board properties now include a new fee for 24-hour access to a closed school. You can find more information here. Proceeds from rental fees go toward the HWDSB Foundation’s Student and School Funds, to support at-risk students across the Board. Rental fees include a caretaker and a security guard for 8 hours. Rentals can be short or long-term. Please contact the Julie Densham at jdensham@hwdsb.on.ca or 905-527-5092 x 2436 for more information.

Momofuku Toronto (L13971)

Need a modern restaurant with a lot of visual interest? Momofuku Toronto is just the thing! Located in downtown Toronto at 190 University Avenue, in a glass cube attached to the Shangri-La Hotel, this three-storey building is home to: three restaurants (Noodle Bar, Daisho, and Shoto), a bar-and-lounge (Nikai), and a dessert shop (Milk Bar). The main floor has smooth concrete floors, wood-tiled walls, bench-seating, and a prominent staircase that leads to the upper-level dining areas. On the second floor, there is a bridge with glass railings overlooking the main floor, as well as a walk-in refrigerated area that serves as the dessert shop; there is also lounge seating on this floor. Third floor has an outdoor patio, in addition to a sleek modern dining area.

Central Public School (L15111)
Looking for a classic school house look? With red brick and white windows, the Central Public School at 24 Alexander Street in Brampton is a one-and-a-half storey building with wide, wood-floored hallways, original wood doors with transoms and period hardware, and wainscoting on the walls. The building has an auditorium wing on the right side of the building, classrooms with hardwood flooring and blackboards, studio rooms with full wall mirrors and barres, meeting rooms, a large art room and workshop, gymnasium with stage, and original stairwells as well as additional modern cement and steel stairwells. Outside are a baseball diamond and two soccer fields. There is ample parking on site.

Experience Estates (L15120)
If your production needs a secluded retreat with a private pond and over 20 acres of forest, Experience Estates at 18696 The Gore Road in Caledon might be just the ticket. This custom-designed, timber-framed, 15,000 square foot cottage-style house features vaulted wood ceilings, stone and wood accents, skylights in the gourmet kitchen and above the dining room, floor-to-ceiling windows, and spacious principal rooms. Outside, a stone walkway leads to a small, patio, and arched front door. The cascading backyard leads to a stone-lined resort-sized swimming pool and deck surrounded by trees.

20 Research Road (L14978)
20 Research Road is a 115,000 square foot red-brick warehouse in Leaside, and it is perfect if you are looking for a derelict industrial property. This two-storey building was built in the 1920s, and offers open spaces with columns and ceilings with exposed ductwork. These include office areas, large rooms, washrooms, a boiler room, freight elevator, shipping and loading areas, warehouse space, and training rooms.

**Ridge View - 514 Chalk Lake Road (L12491)**

Need a family home with a view? Ridge View at 514 Chalk Lake Road, Port Perry, is what you’re looking for. This 3800 square foot chalet-style home sits on 50 acres of private property, with views extending all the way to Lake Ontario and beyond. The open-concept house offers large principal rooms – kitchen, dining room, living room, sitting room, sun room – with exposed brick walls, high wood-beamed ceilings and church windows throughout. The backyard offers a wooden deck with seating area, swimming pool, covered outdoor kitchen (with barbeque and oven) and a chicken coop. The separate wooden barn has been converted to a fully livable space with a kitchen, dining area, living room, and bedroom. Surrounding area offers an abundance of fields, and a forest with a winding driveway road.

**iFly Toronto Indoor Skydiving (L15179)**

You might be looking for something a little different, and iFLY Toronto at 2007 Winston Park Drive in Oakville might be it. This indoor skydiving facility offers a modern look, with the main attraction being the glass-encased vertical wind tunnel. The large building includes training rooms, party rooms, office space, kitchens, classrooms, and a gear rental counter. Outside, there is plenty of parking.

Matty Eckler Community Recreation Centre (L4393)
If you are looking for a multi-purpose space that is not new to being used for filming, the Matty Eckler Community Recreation Centre and Playground at 953 Gerrard Street East in Toronto might be what you’re looking for. Used as a location in the Degrassi Junior High series, this community centre offers a pool with both shallow and deep ends, bleachers on pool deck, a balcony overlooking the water, a lifeguard office, a gym with a basketball court, and a small park with playground, wading pool and baseball diamond. The building also includes change rooms, locker rooms, offices, exercise rooms, weight rooms, a dance studio, wood ship, computer lab, a party room, and a community garden.

Citi Plaza (L4251)
Need a mixed-use complex for your production? The Citi Plaza at 355 Wellington Street in London offers retail stores, office space, recreation facilities, and parking garage. The centre court features a fountain, escalators to floors 2 and 3, and a pedestrian bridge from the third floor to the elevators. Elevators have access to all three floors as well as the lower-level parking garage. The London Public Library overlooks the centre court on the north side. The east and west bridges crossing over King Street are office space.

Idea Exchange - Queen’s Square Public Library - Cambridge Galleries (L8365)
The Idea Exchange Queen’s Square Public Library and Cambridge Galleries at 1 North Square, Cambridge, may be what your production is calling for. This 2-storey brick building was built in 1977 and underwent renovations in 1993. The large lobby features a vaulted ceiling and central staircase. The main floor houses a gallery space with white walls. The library spans half of the main level and the entire second floor. A bridge between the children’s and adult’s sections overlooks the lobby. Modern décor, cement, steel, open duct-work, carpeting and plenty of natural light are found throughout the space.

The Junction (L6063)

If your production needs a good mix of downscale, industrial, urban, and midscale residential, the Junction has everything you need. The main intersection is Dundas Street West and Keele Street. Housed in a mix of early 1900s low-rise buildings and newer structures, there are auto-body shops, industrial shops, commercial businesses, cafes, restaurants, churches, small parkettes, and other various storefronts.

Contact: Toronto Film and Television Office | filmtoronto@toronto.ca | 416-338-3456

Davenport Avenue to St. Clair Avenue West has rundown semis, singles, and 2-storey houses, as well as a large 3-4 storey 1800s building at St. Clair. One street east of Old Weston Road and south of Davenport Road is Miller Street, with mixed housing consisting of small Victorian singles and larger housing. There are also auto-body shops here, as well as a closed Cadet Cleaners factory with a fenced lot, overgrown with weeds.
If your production calls for a hospital or medical setting, Humber River Hospital at 200 Church Street in York has you covered...
Humber River Hospital (L15200)
Set in a real hospital building, this location includes nurses’ stations, patient rooms, recovery rooms, operating rooms, a Critical Care Unit, research office, morgue, waiting rooms, and other medical units. It also comes equipped with all the healthcare accoutrements, including hospital beds, monitors, over-bed tray tables, etc.

Linden Park School (L15281)
The Linden Park School at 4 Vickers Road in Hamilton is now available as a closed school rental for filming purposes, offering 24 hour access, ample parking on site and the adjacent site, and flexibility for alterations. The school holds approximately 12 classrooms, one library, hallways, and a gym with a stage. There are also full-size lockers. The school has a 70’s/80’s feel but also has a timeless nature. The exterior of the site has a large courtyard, a very large field and a play structure.
