There are caps on the maximum funding levels based on the applicant’s eligible sales revenue which, for purposes of this program is defined as all revenues for Canadian authored titles. Grants, funding and donations are not considered revenue for the purpose of this program and should not be included when calculating eligible sales revenue.

Publishers may apply for the following levels of funding:

<th>Total Funding Available</th>
</tr>
</thead>
<tbody>
<tr>
<td>Over $1,500,000</td>
<td>$150,000</td>
</tr>
<tr>
<td>$500,001 to $1,500,000</td>

</tr>
</tbody>
</table>

1. For publishers with eligible sales revenues of less than $75,000, the funds requested should be proportional to sales, with total request not exceeding 33% of eligible sales revenues and in keeping with 75% of total budget.

2. The average of the publisher’s most recent two fiscal years will be used to calculate eligible sales revenue for the purpose of determining the level of funding for which the applicant may apply.

The number of applicants who will receive funding, and the amount of the funding received, is dependent on the total amount of funding for the program, and the quantity and quality of projects selected. This is a competitive process. A jury of industry experts
will review and recommend which eligible applications will receive funding from this program.

Applicants are expected to begin incurring expenses related to their project no more than 90 days following funding approval notification.
