

In order to increase efficiencies and prevent processing delays, Ontario Creates uses the following list of eligible and ineligible positions for purposes of establishing the estimated amount of the OCASE tax credit when issuing the Certificate of Eligibility. This list is not a substitute for the Taxation Act, 2007 and applicable Regulations. The CRA makes a final determination of the amount of OCASE tax credit that is permissible in accordance with that legislation.

Eligible Positions for a Producer's Live Action OCASE Claim for Conventional Cast and Crew (non-VFX-Specific Roles)*

Alphabetical Order

Labour for eligible positions can be claimed at the applicable VFX percentage.
