

Trillium Book Award

A Celebration of Ontario's Literary Excellence!

We are thrilled to welcome you to the 2025 Trillium Book Awards – Ontario's most prestigious literary award celebration!

Ontario Creates has the honour of delivering the Trillium Book Awards on behalf of the Government of Ontario, which has been recognizing Ontario's literary excellence and celebrating the wealth of talent and diversity of Ontario's English and French authors since 1987.

Ontario is home to an extraordinary writing community, and we are proud to spotlight this year's finalists, their publishers, and the juries who selected these titles.

Ontario's book publishing industry is the largest in the country, contributing \$980M to our economy and supporting more than 6,000 jobs each year. Ontario Creates helps to power the creative economy through strategic investments in sector growth and the distribution of intellectual property to audiences around the world, including marketing and business development initiatives. We applaud Ontario's book publishers and booksellers who continue to support and nurture the rich cultural ecosystem that makes such a significant contribution to our quality of life and economic impact in our province.

On behalf of the Board of Directors and staff at Ontario Creates, we look forward to celebrating all the finalists, winners and their publishers on June 18. Read and support Ontario storytellers by adding this year's Trillium nominees to your summer reading list!

Sincerely,

Aaron Campbell
